Sir,

LAND ACQUISITION: Mangalore taluk--Panambur village--S.Nos.11/5A and 5 B for Kulur Bridge works--draft declaration--submitted.

Ref: G.O.R.No.30 Public works department dated 6.1.1951.

S.Nos. 11/5A and 11/5B of Panambur village were proposed for acquisition at the instance of the Assistant Engineer (Highways) in charge of Kulur Bridge works. The draft 4(1) notification was published at page 134 of Part I of the fort St. George Gazette dated 23.1.51.

2. In response to the notices issued under sections 4(1) and 5A of the act, objections have been received from the following persons. They are dealt with below:-

S.No.11/5A; Sri Ramakrishna Marthoba Rao of Karwar who is the registered holder and Benjamin alias Pascal D'Souza the mulgenidar have preferred objections. The former represents that as he is now residing in a far off place, he may be paid travelling allowance and supplied with a sketch of the plot so that he may file his objections. His request for the grant of travelling allowance to go over to Mangalore to file his objections is not admissible. He should have made his own arrangements to obtain the sketch if he needed one. His objection that Benjamin alias Pascal D'Souza has no right on the land having defaulted in the payment of rent is one of a civil nature. The objections are frivolous and may be overruled. The Mulgenidar's only objection is with regard to the compensation which matter will be duly considered at the time of the award enquiry.

S.No.11/5B1: Ramakrishna Marthoba Rao is the registered holder

P.T.O.

Maurice Souza and Charlie D'Souza are the mulgenidar and the chalgenidar respectively. The objections detailed above from Ramakrishna Marthoba Rao apply to this plot also. They do not deserve any consideration. The objection put forward by Maurice D'Souza, the mulgenidar, that his residential house is needed for his occupation is not true to facts. In his statement dated 20.8.50 he had admitted that the house and the hut belong to the chalgeni tenant and that the compensation due may be paid to him (chalageni tenant). Hence his present objections does not deserve consideration. The chalgeni tenant has not filed any objection. The objections are merely formal. They may be overruled.

The compensation payable works out to Rs.1929-7-7. I submit herewith the Draft declaration under section 6 of the Act which may be approved and got published in the Fort St. George Gazette. The served copies of the notices, the objection petitions in original, with a topo sketch of the plots are enclosed.

Yours faithfully,

For Collector.

Copy to the Revenue Divisional Officer, Mangalore.
